2.1 It is the policy of the NAB-MALTA to follow the requirements of Article 7 of EU Regulation 765/2008 and the principles outlined in EA-2/13.

2.2 Having taken into consideration the implementation of the European Regulation on accreditation (765/2008) that has come into force on 1 January 2010, the EA cross-frontier policy EA-2/13 as well as the resources at its availability, the NAB-MALTA will not be accepting any applications from organisations established in other EU member states and EEA members, unless these fall under the exceptions listed in Article 7 of the EU Regulation 765/2008.

2.3 Applications may be accepted if these are received from non-EA member countries or from EU and EEA Members according to Article 7 of Regulation 765/2008 and when these fall in the immediate competence at the availability of the NAB-MALTA. A decision on the acceptance of an application or otherwise will be made by the NAB-MALTA on a case-by-case basis.
